

## Note to Employment Agencies:

RoslinCT highly values our partnerships with select recruitment agencies. We only accept candidate submissions from agencies that have an active, signed agreement with our Human Resources/Talent Acquisition team and have been engaged to support on a specific role and have been asked to submit CVs through our ATS. Any unsolicited resumes or profiles sent to RoslinCT without prior authorization will be considered the property of RoslinCT, and no fees will be paid for such submissions.

Under no circumstances should recruitment agencies contact RoslinCT hiring managers directly regarding job openings. All agency inquiries must go through our Human Resources/Talent Acquisition team and only if a prior agreement is in place.
